# Acrylic Letters

COLOUR & CLEAR

We can manufacture nearly any type of letter or pattern to almost any specification and size up to 3m high.

We can now laser cut and shape almost any material, from sheet plastics like Acrylic to wood including MDF.

It has stronger impact resistance than glass, offers a gloss finish and is easy to keep clean with a cloth and warm soapy water. We cut our letters and numbers utilizing a precision laser cutter giving a consistent, uniform and smooth edged finish.

We use high quality coloured acrylic supplied by leading brand names in the industry including Perspex®. Coloured acrylic is durable, strong and lightweight choice. It has stronger impact resistance than glass, offers a gloss finish and is easy to keep clean with a cloth and warm soapy water.

Our custom flat cut coloured letters are suitable for use in homes as well as by businesses. We specialise in producing flat-cut coloured acrylic lettering made-to-order to assist with

Order your flat cut acrylic letters you need here at The Plastic People. Our letters are available in many font types at the size of your choice. If you're looking for clear letters, we have those too.

See how easy it is to create effective and affordable high quality lettering. Flat cut coloured acrylic lettering is a popular choice for signage, retail, education, hospitality and catering.

**DON'T FORGET...** Acrylic Perspex has 17x the strength and half the weight of conventional glass.
