

PREMIUM CLADDING COLLECTION

PREMIUM CLADDING COLLECTION

ENGINEERED FOR EXCELLENCE

Satin & Gloss Wall Cladding

Our PVC wall cladding offers a premium finish with outstanding performance in hygienic and high-demand environments. It is fire-retardant, non-absorbent, highly durable, and provides excellent resistance to chemicals. Our Premium Cladding Collection is easy to cut, form, glue, and weld, making it ideal for a range of applications.

LIFETIME GUARANTEE

Trusted by the Trade for Over 50 Years

Backed by decades of industry expertise, our Premium Cladding Collection is trusted for its lasting performance. Installing the sheets with our full range of colour-matched profiles, adhesives, silicones and weld rods creates a complete, high-performance, moisture-resistant system, all covered by our lifetime guarantee when fitted as per our installation guide. Products used independently are still protected by their standard guarantees.

We also offer a custom colour-matching option for uPVC cladding to ensure the perfect match for your project.

A COMPREHENSIVE RANGE OF PREMIUM QUALITY PROFILES TO COMPLEMENT OUR SHEET RANGE

WALL CLADDING PROFILE RANGE

Precision Profiles for Seamless Installations

Our colour-matched profiles complement our Premium Cladding Collection, delivering a professional finish. They provide watertight seals, easy-to-clean surfaces, and a hassle-free installation process.

Whether creating smooth transitions or securing exposed edges, our profiles complete the look while enhancing durability, hygiene, and overall performance across every installation.
